# Research and Project Knowledge Transfer

## Editorial

06 | Research and design: current problems and experiences of the Italian Architectural Technology scientific sector  
Maria Chiara Torricelli

## Dossier

08 | Research, architectural design and knowledge transfer  
Mario Losasso
13 | Interview with Marco D’Orazio, by Massimo Perriccioli
14 | Interview with Angelo Ciribini, by Andrea Tartaglia
17 | Interview with Carlo Magnani, by Carola Clemente
21 | Interview with Donatella Fiorani, by Fabrizio Tucci
24 | Interview with Michelangelo Russo, by Sergio Russo Ermolli
27 | Interview with Vito Cardone, by Mario Losasso

## Essays

29 | A spin-off as an effective tool for advanced teaching and implementable technology development  
Federica Ottone
37 | Social housing: a new home living model. The ongoing experimentation between integration of knowledge and practices  
Daniela Mello
43 | Safety and accessibility in use: risk factors and their determinants  
Antonio Lauria, Valeria Tatano
54 | Technological transfer in an industrial sector in crisis. The relationship between universities and the clay brick and roofing tile industry in Italy  
Adolfo F. L. Baratta
62 | Performance based building design to ensure building quality: from standardization to LEAN construction  
Carlo Zanchetta, Giorgio Croatto, Rossana Paparella, Umberto Turrini
70 | Sustainable Sites Initiative: US updated rating criteria for open spaces design  
Renata Valente

## Research & Experimentation

81 | Data, BigData and smart cities. Considerations and case study on environmental monitoring  
Giacomo Chiesa
90 | Technological energy and environmental refurbishment of historical Italian libraries  
Alessandra Battisti, Fabrizio Tucci
109 | The Cultural Territory of a Technological Excellence – A Field Research in South Tyrol  
Michela Toni
121 | Environment as a home to architecture. The Cremona City Hub project  
Emilio Faroldi, Maria Pilar Vettori
130 | Tactics and Strategy for the SEAP - Action Plan for Sustainable Energy. The city of Alessandria as a case study  
Lorenzo Savio
137 | Relationship between energy systems and landscapes. Guidelines and tools for design and management  
Elisabetta Ginelli, Laura Daglio
145 | Eco Power Parks. Energy Development of Regional Parks  
Elisa Cangelli, Serena Baiani, Maurizio Sibilla, Roberta Rotondo
155 | Urban environment and vegetation: comfort and urban heat island mitigation  
Adriano Magliocco, Kalia Perini
163 | Risk security and soil loss mitigation: the EU case study of the Sufalnet Project  
Marina Rigillo
171 | Circular processes for a new urban metabolism: the role of municipal solid waste in the sustainable requalification  
Antonella Mami
